

# 2021 Carolinas Climate Resilience Conference Program

## Submission Form for Individual Oral Presentations

This document duplicates the information in the online submission form for Individual Oral Presentations. Please review this document to know what information you will need to provide when you submit an oral presentation.

### Submission Format

When you access the form, the first question will ask you to select the **type of session or presentation** you would like to proposal.

Select "Individual Oral Presentation" and the submission form will direct you to the following information and series of questions.

### Individual Oral Presentation

Individual speakers may submit presentation ideas to share information about ongoing research, projects, and partnerships that address climate variability and change. Individual presentations will be combined into 1 ½ hour sessions organized around key topics and cross-cutting themes. If you participate remotely, you will be asked to record your presentation in advance and participate in the session via conference call or webinar.

#### 1. **Speaker Information**

Name:  
Organization:  
State/Province:  
Email Address:  
Phone Number:

#### 2. **Presentation Title**

#### 3. **Presentation Description** (360 Words or Less)

The description should clearly state details about individual speakers or presentations and the session format. Please include comments about how you would conduct the session virtually, if needed. All abstracts will be included in the conference program. Providing thorough details will ensure that attendees have the information they need about your session.

#### 4. **Additional Authors**

Please list any additional authors and their affiliation who should be included with the poster abstract in the conference program. Authors will be listed in the program in the same order they are listed here.
