

2021 Carolinas Climate Resilience Conference Program

Submission Form for Symposia

This document duplicates the information in the online submission form for Symposia. Please review this document to know what information you will need to provide when you are submitting your session idea.

Submission Format

When you access the form, the first question will ask you to select the **type of session or presentation** you would like to propose.

Select "Symposium" and the submission form will direct you to the following information and series of questions.

Symposium

Symposia will be 1 1/2 hours long and should include 3 to 4 speakers sharing information about a single climate adaptation project or several presentations that should be highlighted together in the program. The session format is up to you, but should include an interactive element, such as a panel discussion and Q&A or an interactive demonstration of a climate tool or resource. Submissions without a full list of speakers will be accepted, with a **deadline for all speakers to be confirmed by April 2**.

1. **Session Organizer**

Name:

Organization:

State/Province:
