

2021 Carolinas Climate Resilience Conference

Program Submission Form for Workshops and Trainings

This document duplicates the information in the online submission form for Workshops and Trainings. Please review this document to know what information you will need to provide when you are submitting your session idea.

Submission Format

When you access the form, the first question will ask you to select the **type of session or presentation** you would like to propose.

Select “Workshop or Training” and the submission form will direct you to the following information and series of questions.

Workshop or Training

We will accept submissions for 1 ½ to 2-hour workshops and trainings. These sessions are open to any relevant climate resilience skill-building topic in the Carolinas. Workshops/trainings should include interactive elements for learning and discussion. There are a limited number of time slots available in this format. Submissions without a full list of presenters will be accepted, with a **deadline for all speakers to be confirmed by April 2**.

1. Workshop/Training Organizer

Name:

Organization:

State/Province:

Email Address:

Phone Number:

2. Workshop/Training Session Title

3. Workshop/Training Description (350 Words or Less)

Please provide a description of your proposed workshop or training. The description should clearly state the type of skill building activity you will conduct, information about the session format, and details about individual speakers or presentations. All abstracts will be included in the conference program. Providing thorough details will ensure that attendees have the information they need about your session.

4. Please provide details about **how you would conduct the session virtually, if necessary**.

5. Please list any **additional session organizers or confirmed speakers** for the session. Include the person's name and affiliation. You are not required to have all speakers confirmed by the abstract submission deadline. However, all session speakers must be confirmed by **April 2**.

6. Requested Session Length

- 1 1/2 Hours
- 2 Hours

Cross-Cutting Themes & Key Words

7. Please select the **cross-cutting theme** that best represents your submission. View descriptions of the themes on the **CCRC website**.
 - Actionable Climate Science
 - Climate Resilience Planning and Recovery
 - Collaborative Climate Adaptation
 - Communication and Engagement
 - Economics of Climate Adaptation
 - Equitable Adaptation
 - Policy, Governance, and Law
8. Please select up to **3 key words** that are relevant to your submission.
 - Agriculture
 - Built Environment
 - Climate data, information, and tools
 - Coastal Adaptation
 - Communications
 - Education
 - Energy
 - Environmental Justice
 - Emergency Management
 - Extreme Weather
 - Flooding
 - Heat
 - Natural Resources
 - Partnerships and Collaborations
 - Planning
 - Public Health
